

Naturally Delicious

Mini

NEW: Unique and exclusive!

Bazqet Mini's are delicious bars on a bed of chocolate.
A small bite of only 12g, but definitely perceived as a serious portion.

2 great flavors, both well received by the public: a crispy granola | vanilla and a softer muesli | coconut.

One Mini has only 50 kcal.

Just 3g sugar and 2g fat, of which 0,5g saturates).

Palm oil free and of course certified chocolate.

Mini's come individually wrapped.

Naturally Delicious

Packaging

Launch Q1 - 2023

Bazqet Mini's will be individually wrapped with English text and specs. Mini's are fit for food service, airlines or for consumers to take to school or work.

We are currently finalizing a retail multipack of about 10 pcs, possibly a creative carton like the one shown below; next to a wholesale box for food service of 100 to 150 pcs.

Consumer tests & professional feedback: interested to join in?

We have product available for sampling and tests in neutral packaging. We also appreciate feedback from our partners on pack options and pack size.
